

# Yes, GREEN\* and ready to work!

## Yes GREEN\*

Our customers told us that we need to think GREEN if we wanted their business, so we invested in HP who features odourless inks and no VOC's or carcinogens.

*A better environment for you and for us too!*

## HP Can Produce:

### LABELS

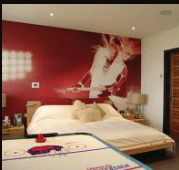

Gone are the days of having to order 500 labels to be economical. With HP we can produce 5-5000 labels at realistic prices! *Just call in with your file and we'll put HP to work for you...*

### POSTERS, BANNERS & PULL UP DISPLAYS

For that banner or poster you want, on self adhesive, paper, canvas, vinyl, permanent or throw-away, HP can do it!

*Just call in with your file and we'll put HP to work for you...*

### DIGITAL WALLPAPER

Ever had a special picture that you wished you could print and put up as a feature wall, what about a special frieze around the room. *Just call in with your file and we'll put HP to work for you...*

### VEHICLE WRAPS

The future of advertising is here. Wrap your vehicle and make a statement, your design or ours. On par with a re-paint in price.

*Just call in with your file and we'll put HP to work for you...*
